

What We Stand For:

- **Safety—We support our first responders, Greenhills Police and Fire Department.**
- **Streets and Services— Maintaining essential services required by all residents of Greenhills.**
- **Recreation— providing and maintaining outlets for enjoyment of the natural qualities that make Greenhills a great place to live.**
- **Support Local Businesses— but recognize the needed improvement of our central business district.**
- **Maintain Village Finances— A balanced budget, provide good judgement of Village expenses and needs. Pursue grants and other financial opportunities that are fiscally responsible and benefit the citizens of Greenhills.**

What's Important ?

Greenhills Council has six members, each serving 4 year terms, three of those positions are elected by voters every two years.

The candidates of Jim Boerner, Courtney Fauver and Greg Hermes have chosen to run as cohesive team. Each has their own experience and background to draw upon, but the end result should always be to work collaboratively for the benefit of all citizens of Greenhills and not one's singular agenda.

We believe that the citizens deserve representatives with the following qualities:

Integrity

Integrity is regarded as the honesty, truthfulness or earnestness of one's actions. This must be true when a person chooses to be a representative of others in governmental affairs

Civility

Civility goes beyond good manners and listening attentively, but includes sharing our individual beliefs and values with others through some type of engagement with the intent of sincere respect towards one another. This also requires a willingness and open mindedness to having our opinions and biases challenged by others who share different and perhaps unique points of view.

Community

Community is not a place, a building, or an organization; nor is it an exchange of information over the Internet. Community is both a feeling and a set of relationships among people. People form and maintain communities to meet common needs.
